(b1) Milk supplies found to contain over 100,000 bacteria per cubic centimeter on two or more different days will be excluded from Kearny until satisfactory evidence is shown that the milk may be reasonably expected to contain less than this number of bacteria.

(b2) Milk shall contain not less than 3.25 per cent milk fats.

(b3) Milk shall contain not less than 8.5 per cent of solids not fat.

(c) No pasteurized milk shall be sold in the town of Kearny unless it is conspicuously labeled "Pasteurized." Said label shall also state the degree, 150° F., temperature and date of pasteurization.

(d) No substance or compound shall be added to any milk which is to be exposed or offered for sale, and no substance shall be extracted therefrom.

(e) No milk shall be sold in Kearny which is obtained from a dealer who handles in part a supply not approved by this board, and no person shall deliver or offer for sale in the town of Kearny any milk unless the entire supply which he handles complies with the requirements hereinbefore set forth unless satisfactory evidence is given this board that the two supplies are kept separate.

(f) No milk shall be delivered stored or transported at a temperature exceeding 50° F.

(g) No ice which is obtained from a source which is contaminated or which is so situated that it may become contaminated shall be used for cooling milk.

SEC. 8. *Cream*.—No cream shall be sold, exposed for sale, or delivered within the town of Kearny unless it is produced and handled in accordance with the requirements hereinbefore set forth for the production and handling of milk. The board of health may from time to time, when in its opinion the public interest may require, permit by resolution the sale of milk as herein specified, provided that such milk is pasteurized by subjecting it to a temperature of 150° F. for 20 minutes or by equivalent process.

SEC. 9. *Penalty*.—Any person violating any of the provisions of this article shall, on conviction thereof, forfeit and pay a penalty of \$25 for each offense.

#### **Garbage and Refuse—Permit Required for Dumping. (Ord. Aug. 7, 1913.)**

All persons, parties, firms, or corporations dumping earth, ashes, garbage, or other materials in the town of Kearny must first obtain a permit from the board of health.

All persons, parties, firms, or corporations violating any part of this ordinance shall forfeit and pay a penalty of \$25 for each offense.

#### **Slaughterhouses—Regulation of. (Ord. Aug. 7, 1913.)**

SECTION 1. In every slaughterhouse or rendering plant hereafter constructed in the town of Kearny, the floors shall be paved with asphalt or some other impervious material, properly sloped to a well-trapped and permanently grated inlet having connection with a sewer; the walls thereof shall be covered to a height of 7 feet with some smooth impervious material; the yards, apartments, and pens connected therewith shall be paved with brick or stone laid in cement or concrete or some other impervious material and properly sloped to a well-trapped and permanently grated inlet having a connection with a sewer. Every slaughterhouse or rendering plant shall be supplied with an adequate water supply and such arrangement of hose or pipes as will enable the walls, floors, and yards to be effectually washed; and every slaughterhouse or rendering plant and the apartments and pens connected therewith shall be properly ventilated according to the direction and to the satisfaction of the board of health.

Any person or persons, firm or corporation who shall be the owner of or operate any slaughterhouse or rendering plant failing to comply with the directions of or offending against or violating any of the provisions of this section shall, on conviction thereof,

forfeit and pay a penalty of \$50 for the first offense, and for the second and each subsequent offense the sum of \$100.

SEC. 2. The owners, agents, lessees, or occupants of all slaughterhouses or rendering plants located within the town of Kearny are required to provide movable receptacles, with tightly fitting covers, for the purpose of conveying away blood, filth, offal, and other offensive matters, and these matters must be deposited in the receptacles immediately after slaughtering and removed with all fat, hides, skins, tripe, and bones daily between the hours of 6 p. m. and 8 a. m. No blood or offal shall be permitted to run into the sewer.

Any person or persons, firm or corporation offending against or violating any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$50.

SEC. 3. The owners, agents, tenants, or occupants of all slaughterhouses or rendering plants in use shall thoroughly and effectually wash the walls, floors, and yards thereof at least once in every 24 hours, and during the months of May, June, July, August, and September shall distribute twice in each week a sufficient quantity of chloride of lime or some other suitable disinfectant about their premises, and shall also remove the contents of any manure pit on the premises once in each week during the said months. If the above requirements should not be complied with, the health officer is hereby directed to carry out the provisions of this section as to disinfecting and the removal of the contents of said manure pits at the expense of said owner, agent, lessee, tenant, or occupant.

Any person or persons, firm or corporation failing to comply with or offending against any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$25.

SEC. 4. No blood pit, dung pit, or privy well shall remain or be constructed within any slaughterhouse or rendering plant.

Any person or persons, firm or corporation offending against or violating any of the provisions of this section shall, on conviction thereof, forfeit and pay a penalty of \$25.

If it shall at any time appear to the board of health that exception to any of the provisions of sections 1, 2, 3, and 4 of this ordinance should be made, a permit in writing to that effect may be granted, subject to revocation at the pleasure of the board of health.

#### **Garbage and Refuse—Care and Disposal of. (Ord. Oct. 2, 1913.)**

SECTION 1. No person, firm, or corporation shall remove, or carry, by cart or otherwise, any earth, dust, manure, grease, offal, rubbish, or waste matter whatsoever in the town of Kearny, unless the same is inclosed so as to be impervious to flies and to prevent its distribution by wind or otherwise.

SEC. 2. Any person, firm, or corporation desiring a permit to remove, transport, or carry earth, dust, ashes, manure, grease, offal, rubbish, or waste matter in the town of Kearny shall file with the secretary of the board of health of said town a written agreement to comply with all the ordinances of the said town and the rules and regulations of the said board of health relating to the removal and depositories of the said ashes, earth, dust, manure, grease, offal, rubbish, or waste matter.

SEC. 3. That all such earth, dust, ashes, manure, grease, offal, rubbish, or waste matter shall be deposited in any of the following places as designated in the permit granted and in no other place, and all of said matter when so deposited shall be leveled off, so as to prevent the same from becoming a nuisance or menace to the public health.

SEC. 4. The following places shall be used as dumps: \* \* \*

SEC. 5. All parties, firms, or corporations violating any part of this ordinance shall forfeit and pay a penalty of \$25 for each offense.
